By S.N. Maheshwari & : Problems & Solutions in Advanced Accountancy Volume II, 7th Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised Problems & Solutions in Advanced Accountancy Volume II, 7th Edition:

Any book on solved problems would be welcome by the students as they dread the unsolved problems the most. Problems and Solutions in Advanced Accountancy mdash Vol I and II is the result of realization of the same fact. However this book will serve its purpose the best if before referring to it the students have attempted to solve the questions on their own. The book has been designed specially to serve as a complementary set to the textbook Advanced Account
